If splashed in the eyes, the liquid may cause irritation and reversible damage. This takes into account, where known, delayed and immediate effects and also chronic effects of components from short-term and long-term exposure by oral, inhalation and dermal routes of exposure and eye contact.

Exposure to decomposition products may cause a health hazard.		
			In case of fire; wear self-contained breathing apparatus		
			Do not use water jet. Cool closed containers exposed to fire with water. Do not release runoff from fire to drains or watercourses.		
6. ACCIDENTAL RELEASE MEASURES:	: 6.1 Personal precautions:		Avoid breathing vapour or mist.

7. HANDLING AND STORAGE:	7.1 Precautions for safe handling:	
	Advice on safe	
	handling	Avoid contact with skin and eyes. Avoid inhalation of
		vapour, spray or mist. Eating, drinking and smoking should be prohibited in areas where this material is
		handled, stored and processed. Put on appropriate personal protective equipment (see
		Section 8). Never use pressure to empty. Container is not a pressure
		vessel.
		Always keep in containers made from the same material as the original one.
		Comply with the health and safety at work laws. Do not allow to enter drains or watercourses.
		Do not allow to enter drains of watercourses.
		When operators, whether spraying or not, have to work inside the spray booth,
		ventilation is unlikely to be sufficient to control
		particulates and solvent vapour in all cases. In such circumstances they should wear a
		compressed air-fed respirator
		during the spraying process and until such time as the particulates and solvent
		vapour concentration has fallen below the exposure limits.
	7.2 Conditions for	Store in accordance with local regulations.
	safe storage:	Notes on joint storage.
		Keep away from: oxidising agents, strong alkalis, strong acids.
		Additional information on storage conditions
		Observe label precautions. Store in a dry, cool and well-
		ventilated area. Keep away from heat and direct sunlight. Keep container tightly closed.
		No smoking. Prevent unauthorised access. Containers that
		have been opened must be carefully resealed and kept
		upright to prevent leakage.
